NEWS LETTER

The management and entire members of staff of Jon Bitrice College wish our beloved parents a Merry Christmas and a Happy New Year in advance. We are using this medium to appreciate you for your support, contributions and constructive criticism towards the development of this citadel of learning. May the good Lord continue to bless us all (Amen).

SCHOOL FEES

Every student is expected to pay his/her school fees on or before resumption. Any student with an outstanding fee will not be allowed in the school when next term begins. Thus, every fee should be paid into the school's bank account, detail of which is indicated at the foot of this page.

CISCO NETWORKING ACADEMY

This is an IT skills and career building program for learning institutions and individuals worldwide Cisco Networking Academy will help to bridge the digital divide by extending learning opportunities to students in developing countries. To give globally competitive ICT education and create career/economic opportunities for the Nigeria child. We want JBC students to participate in the Open project of Cisco so that our students will leave school as confident, creative and productive users of new technologies. Programs offered include internet of things (Robotics), coding (Scratch programming), Cyber Security, Web design, Multimedia Learning & 3D Animation, Graphics Design and Photoshop, Introduction to Big Data, Programming Essentials in Python.

There will be Cisco certification in completion of all the above training. The fee is N5,000 per student per term. The school has made it optional for interested student.

EXTRA-MURAL CLASSES

The school is organizing extra-mural classes for the students in the terminal classes i.e. JS 3 and SS 3 who will be sitting for their external examinations viz: BECE (Junior WAEC) and WAEC & NECO respectively, in the New Year, between the hours of 3.30pm to 6.00pm from Monday to Thursday and 2.00pm to 6.00pm on Friday. The programme which will span through January to April 2024 for the students, will definitely prepare them adequately for optimum performance in the aforementioned examinations.
